Thermographic Cameras **Face Mask Detection** **Remote Monitoring** **Social Distancing Detection**

THERMAL TEMPERATURE SCREENING SOLUTIONS

Quick Serve Restaurants

Hikvision offers **fast** and **scalable** solutions for temperature screening and tracking student, visitors, and employees health by proactively screening for an elevated temperature as they enter facilities.

Temperature Screening Technology allows you to:

- Monitor workforce health and provide early detection of symptoms
- Monitor social distancing and protective equipment.
- Provide Temperature Checks.
- Manage the system including remotely through an app interface or control client.
- Prevent crowding and control capacity with queue detection and people counting.

Highly Accurate Thermal and Optical Cameras includes Smart Features such as an Audible "No Mask Warning" and "Social Distancing Detection"

Thermographic Module with Mask Detection

Dual Lens People Counting
